### 3. Rising Student Placements

The number of student placements at Sanskriti University has shown a consistent increase each year, reflecting the effectiveness of the university's practices and initiatives. Many students have secured placements in various sectors and are performing excellently in their roles. This upward trend in placements demonstrates the success of life skills training and its significant impact on students' employability.

Academic Year	Student Placements (%)
2018-19	81%
2019-20	81%
2020-21	69% (due to COVID-19 pandemic)
2021-22	89%
2022-23	90%

This table highlights the upward trend in student placements, with a slight dip in 2020-21 due to the COVID-19 pandemic. The strong recovery in subsequent years underscores the resilience of the university's training programs and their effectiveness in enhancing students' employability.
