# **ACTION TAKEN REPORT OF FEEDBACK ANALYSIS 2019-2020**

The Feedback Collected from various sources was collected and analysed. The Suggestions/ observations were kept in mind while framing the Curriculum. The implementation of the Observations included Addition/ deletion/ updation of the contents of the Courses.

Based on the Feedback, the following changes were made in the existing Curriculum/ Programme structure based on the Feedback of Faculty/ Professional experts/ Employers

<b>Feedback Responses / Suggestions</b>	<b>Action Taken Report</b>

**ATR on Suggestions by Students**

<p>Advancement and upgradation of the library</p>	<p>Library has been equipped with advanced versions of books, reference materials, a Learning Management System (LMS), and other resource materials. A new Reading Room has been established on the first floor of the central library for student use.</p>
<p>Software Plagiarism detection Software should be available in the Library</p>	<p>Library has purchased Plagiarism detection Software</p>

**ATR on Suggestions by Alumni**

<p>Emphasis on experiential learning</p>	<p>Practicals given more emphasis</p>
<p>Drinking facility should be improved</p>	<p>Water purifiers installed in every Block</p>
