# ABOUT THE WORKSHOP

Are you ready to take your web development skills to the next level? Join us for a two-part, hands-on workshop on Full Stack Development where you will learn to build modern, scalable, and responsive web applications from scratch. Whether you're a beginner or looking to enhance your skills, this workshop covers web development's front-end and back-end aspects using the latest technologies.

## WHO SHOULD ATTEND?

Aspiring web developers

Computer science students

Professionals looking to Upskill

Anyone interested in learning full-stack development

## WHAT YOU'LL LEARN

- Build dynamic websites and web applications
- Seamlessly integrate front-end with back-end
- Create secure and scalable applications
- Deploy your web applications to the cloud

## MEET THE INSTRUCTOR

### K RAJESH KANNAN

Department of Information Technology,  
Chaitanya Bharathi Institute of  
Technology (Autonomous),  
Gandipet, Hyderabad-500075
